

# ELNET 2022

## highlights

### Trauma and PTSD Relief Project for Ukrainian Refugees

ELNET-Poland brought leading Israeli trauma experts to Poland to train 150 Polish and Ukrainian mental health professionals and local responders servicing Ukrainian refugees. This effort contributed to reopening the long-stalled diplomatic relations between Poland and Israel.

### ELNET-UK Diplomatic Reception on the Abraham Accords

ELNET-UK hosted a diplomatic reception for the 2nd Anniversary of the Abraham Accords. In his first public appearance after taking office, Prime Minister Rishi Sunak attended the event, as did senior representatives of the Abraham Accords countries.

### German-French Climate Change Delegation

ELNET hosted members of the French and German parliaments on a first-ever joint climate change delegation focused on Israeli tech and innovation, and opportunities for mutual cooperation.

### Resumption of the EU-Israel Association Council

The EU and Israel resumed their Association Council meetings after a 10-year suspension. ELNET-EU & NATO played an integral role leading up to the historic announcement, including a letter campaign signed by 25% of European Parliament members.

### German Bundestag Defense Committee Delegation

The Delegation met with senior members of Israel's defense establishment and received exclusive briefings on Israel's Arrow 3 Missile Defense System and combat Heron-TP drones.

### 7th EU-Israel Strategic Dialogue and Abraham Accords Dinner

ELNET held the 7th EU-Israel Strategic Dialogue, preceded by a dinner on the Abraham Accords attended by the UAE and Egyptian ambassadors and the head of the liaison office of Morocco to Israel.

### Abraham Accords and Europe Conference

ELNET organized a conference marking the 2nd anniversary of the Abraham Accords, entitled "The Abraham Accords and Europe: New Opportunities in a Changing World." Close to 300 participants attended or watched the livestreamed event.

### French Senate Symposium on the Abraham Accords

ELNET-France organized an unprecedented symposium in the French Senate, entitled "The Abraham Accords: A Promise of Peace for the World" with 25 high-level speakers from Israel, France, and the Middle East.

*Our many activities during 2022 had a tremendous impact, and we will continue to build on these successes in 2023.*
